

Financial Statement Analysis

Trainer: Mr. George Assilian, CPA, Financial advisor and Audit

Date: March, 8, 9 & 10, 2017

Time: 5.00 P.M-8.00 P.M.

Cost: 350\$ All Tax Included

Outline: The training assists the participants in making informed business decisions through understanding the basic structure, components & accounting information underlying a set of corporate financial statements. It tackles also the analytical framework & practical tools used to read, analyze & exploit information included in a set of corporate financial statements and how to uncover potential “creative accounting” techniques that companies may employ.

Target: The training is addressed to executives with accounting background who need to interpret information included in financial statements & need to make informed business decisions.
